

EXPLORING PRAYER

**a series of meetings in St Peter's Church, Wolvercote
providing an opportunity to experience different
ways of praying.**

Meetings are on Sunday evenings starting at 6.00pm and finishing well by 8.00 pm (except for December 13th – see below).

- **Sunday 11th October** **'He who sings prays twice'.**
Dan Turner will share some of his thoughts about singing as prayer, and help us weave some hymns of different styles into a short act of worship.

- **Sunday 8th November** **Praying together.** *Praying in a group can feel very different from praying alone (even in silent prayer). There will be contributions from people who help lead Prayer Groups and House Groups in the Partnership.*

- **Sunday 13th December** **QUIET EVENING start 4.00pm!**
The Church will be silent, but the evening will be punctuated by short times of worship. You are invited to come and go as convenient, to spend some quiet time in Church in preparation for Advent and Christmas.
note timing 4.00pm – 7.00pm

- **Sunday 10th January** **Praying with the Bible** *led by Sr Mary Stephen CSJB (this had to be postponed last year because of snow!).*

- **Sunday 14th February** **The Stations of the Cross.** *Clare Sadler will talk about how she came to illustrate her own 'Stations', and we shall use them as a focus for prayer during the meeting.*

- **SATURDAY 20th February** **LENT QUIET DAY,**
Held at Begbroke Priory, probably from 10.00am – 4.00pm

All are welcome from all denominations.

*Refreshments will be served at some stage during the meeting.
