# Welcome to

# Ten Plus

## **Who are we?**

Explorers Ten Plus is the group at St Peter's Church for young people age ten to twelve years old which takes place during the 10.00 am service. Some, but not all are Servers and help set up and serve during the service.

## **Where and when do we meet?**

We meet in church at 10.00 am and go to the Parish Room out of the back of the church, through the Link, shortly after the beginning of the service.

## **What do we do?**

We explore the Christian faith with games, film clips, Bible stories and discussion.

We join the church service at approximately 10.40 am for Holy Communion.

## **How do I become a Server?**

Any young person who would like to join the Servers team should contact Peter Bridges

## **Family Services**

We have a Church Family Service generally the third Sunday of the month, but do check the term card. This is an all-age service with an interactive talk and children's activities, a singing group (join us at 9.15 am for rehearsal) and shortened Holy Communion. This replaces the Sunday Explorers and Explorer Plus groups.

## **Refreshments**

You are welcome to join us for drinks and biscuits after the service.

## **Registration**

Please complete a registration form for each child and a General Data Protection Form and give these to the Children's and Families' Worker. We have a Families email list to keep you up to date with relevant events e.g. the next Family Service.

## **Young people with special needs**

Everyone is welcome and included. Keep in touch and have a chat with one of the leaders if you have any concerns or just a great idea you would like to share
