CARING FOR OUR EARTH St Peter's has joined the Eco Church movement. We've committed to examine how we as a church and as individuals impact on and care for our earth, and to make changes where we can. Pick up a brochure, look at the Link display or fill in the green leaflet distributed in the Flying Goose. To share your concerns, experience and knowledge in support of this initiative, email your contact details to ecochurch@stpeterswolvercote.org or via the Church office.

COFFEE ON SUNDAY MORNINGS Moira Hook is standing down from coordinating the rota. Many thanks to her for her long-standing contribution to St Peter's hospitality. Di Edwards has kindly offered to take over. We are in need of 2 or 3 more people who could help with coffee on Sundays after the 10am service (not more than once a month). Please tell Julia if you might be able to help.
